Mr. and Mrs. Harold Chertock will host the Oneg Shabbat following the service in honor of their parents' 40th anniversary and the birth of their son, David Stuart.

At 10 a.m. Saturday, Ner Tamid will hold a Shemini Atzeret and Yizkor service. Both the Friday evening service and the Saturday morning service will be held at the Redondo Women's Club, 400 S. Broadway, Redondo Beach.

A children's Simchat Torah service will be held at the Silver Spur School on Sunday morning at 10.

For information regarding these services or any other of Ner Tamid's many facilities, call Norman Rosen, president, FR 8-6712.

JUST 88 CENTS . . . Grand opening today for the 88 cent store ushers in a new shopping treat for Torrance area customers. One price—88 cents—is the cost of more than 8,888 items in the new store at 1423 Marcelina Ave.

Grayfriars To Install New Pastor

The Rev. William J. Bomer will be installed as pastor of the Grayfriars Orthodox Presbyterian Church, 22511 S. Figueroa, Sunday.

Before coming to Torrance, Mr. Bomer, who received his BA degree from the State University of Iowa and the bachelor of divinity from Pittsburgh-Xenia Theological Seminary, served pastorates in Ewing, Neb., and Oklahoma City.

Recently released from active service with the Army, where he served a three-year tour of duty, the pastor-elect now resides at 21835 Kinard with Mrs. Bomer and children, Norman, Bruce, and Joy Carol.

Health Group Backs Thomas

Vincent Thomas has been endorsed for election to the assembly from the 68th District by the Allied Health Professions.

This organization comprises representatives of the Legislative Committees of the California Medical Assn.; California State Dental Assn.; California State Nurses Assn.; California Pharmaceutical Assn.; California Assn. of Dispensing Opticians; California Podiatry Assn.; California Veterinary Medical Assn., and Public Health League of California.

88 Cent Store to Celebrate

Grand opening of the most unusual store in Torrance will take place Friday at 1423 Marcelina St.

The store covers more than 2,800 square feet of merchandising area, and in all that area there is but one price tag—88 cents.

The 88 cent store has no higher price. This unique merchandising method has been sensationally popular since its innovation in 1958 in Eugene, Ore.

Now there are 56 stores in Washington, Oregon, and California devoted to selling items priced no higher than 88 cents.

This price limitation has not restricted either the quality or the quantity of merchandise available to the shopping public. United buying programs have broken price barriers consistently for four years. The result of unified buying, in bringing down prices to consumers, will be seen at the Torrance 88 cent store.

Pixie Blue Birds Begin New Season

Meetings for the troop will be held each Tuesday, 3:30 until 4:30.
